

OXFORD UNION LIBRARY

Journals list

This list includes all journals, magazines and newspapers taken by the Union Library, bound and unbound, current and non-current. Volumes and years are shown, together with their location in the Library.

Current issues are all displayed in the Old Library. Recent issues awaiting binding, or titles for which only a limited backset is retained, are kept in Library Reception.

Older journals are kept in a variety of locations within the Union buildings. Journals in the Gladstone Room, Goodman Library, Old Library, Reception, Poetry Room and Staircases are all available on the open shelves. For journals held in the President's Office or the Stack please ask at the Library Desk.

All journals are for use in the Library only. There is a photocopier in Reception and copier cards may be purchased at the Library Desk. Alternatively, many journals are now available online using the terminals in Library Reception.

If you have any further queries about the journals collection or need assistance in finding journals, please ask at the Library Desk.
